"Aman did a great job! He created a fantastic atmosphere, we couldn't have asked for better! The most people participated in our dance EVER for H&M! Well done Aman, thank you so much!" – Ben & Joyce (Managers, H&M, Singapore & Malaysia)

"We needed a professional, yet entertaining host, who is able to reach out to a crowd of a wide age range for our Gala Dinner and Awards Ceremony held at RWS Convention Centre West Ballroom on Sunday 20 Jan 2019. After reviewing footage of Aman's hosting on YouTube, we decided to engage his services - and we've been thanking our lucky stars ever since! Pre-event, Aman was very proactive in the planning process. He would offer his advice where needed in order to ensure a successful show. But what really impressed us was his talent! The magic performed on stage was not only stunning, but unique as well. These were performances we do not usually see on TV or the internet. After the event, many people have approached us wanting him to host our Awards Ceremony again next year, saying that "He is a great magician and comedian as well!" Not only is Aman great on stage, his close-up magic took the breath out of whoever he performed it to. I personally experienced this and up till now am still left in bewilderment - a victim of his sorcery." – Leonard Yong (Event Organizer, SEAMO, Singapore)

"You were awesome! Thank you so very much! Fantastic entertainment! Judging from the accolades flowing in from everybody, I believe you have held their court. Brilliant! I am now thinking of doing a quarterly appreciation dinner just so that we can watch your close up magic!" – Brian Lee (Director, Calibre Advisory, Singapore)

"It was perfect! Exactly what I wanted! Thanks Aman, it was brilliant!" – Liana Joubert (Head of Control Local Markets, ANZ, Singapore)
